OCTOBER 1982

It would be true to say that both the Parish Council and the Residents Association were in total accord with the views of the great majority of villagers concerning the outbreak of vandalism which took place during the weekend of the 11th-12th September. 24 trees, many of them mature, healthy specimens representing a large part of our investment in the future of our village, were damaged, most of them beyond hope of rescue. The football goalposts were broken irreparably, the cricket nets damaged, and a window in the Church Centre broken. Outrage would not be too strong a word to describe the views being expressed in the village during the days that followed, with many people being particularly distressed by the damage to the trees. The Parish Council is very grateful to those people who took immediate action to try to salvage some of the trees. Replacement trees will be purchased and planted as soon as possible, in order that the sad and sorry sight of broken trees may not remain as a testimony to one of the very few unhappy aspects of life in Bar Hill.

Thanks to prompt action by the police, prosecutions will be brought and we await their findings. We are sure that we speak for everyone when we say that all of us sincerely hope that this wanton destruction will never again be repeated in our village and that the shame and sadness of that weekend may not be experienced again.

Parish Council decided to purchase a see-saw and it is hoped that this may be in use shortly.

Tree Planting

The Trees and Woodlands officer of the District Council, Mr. Megginson explained in detail to the meeting a tree planting scheme for Bar Hill, which he had drawn up at the Parish Council's request. He suggested the planting of trees in four main areas of the village, namely alongside the perimeter road towards Lolworth, the area at the top of the village east of the allotments site, the southern and eastern fringes of the Village Green alongside the Village Hall, and the grassed area at the front of Hollytrees. Grant aid will be available from the County Council and the Countryside Commission. The Parish Council decided to proceed with the scheme and planting will take place on the Village Green and Lolworth boundary sites this winter, with the remaining two areas being undertaken the following winter. We are most grateful to Mr. Megginson for the planning work he has done and also for his kind co-operation in coming to address the meeting.

Parish Boundaries

The Boundary Commission have now accepted the recommendations of the District Council concerning the review of the parish boundary with Dry Drayton. The legal arrangements for the re-siting of the parish boundary will now be made.

The next meeting of the Parish Council will be held on Tuesday 19th October at 7.30pm in the lounge, Bar Hill School.

BAR HILL DOG SHOW

82 dogs entered the show this year - 22 dogs up on last year. The judge, Mrs. Brittain of Baldock was very impressed with all the entries and said the dogs were all well turned out and in excellent condition.

BEST IN SHOW was awarded to Miss Squires from Hemingford Grey with her dachshund Heidi.

BEST PUPPY was awarded to Miss J. Philpot of Bar Hill with Sappho - a cross-bred bitch.

We are particularly grateful to Mrs. B. Dowse of Bourn who kindly donated the best puppy plaque.

It was a little disappointing that so few Bar Hill dogs entered the show. This is Bar Hill's own dog show and as illustrated by Miss Philpot and Sappho one does not need to own a pedigree dog to win.

Many thanks to all who did enter and to those who gave donations or bought raffle tickets, after deducting expenses we were able to donate £50 to the Wood Green Animal Shelter.

LETTERS TO THE EDITOR

Dear Sir,

I read with much alarm the report on the last meeting of The Peace and Disarmament Group in last month's 'News'. I sincerely hope that Mr. Speirs and his group are not taken in by what Professor Cornford told them - if they want advice on Russia's foreign policy they would do better to ask the Eastern European's who have had first hand knowledge of it, as have the Afghans.

Please don't let this man use your group for his own nasty ends - tell him to go peddle his Communist Propaganda elsewhere - we don't need it, thank you very much.

Yours sincerely,
Mrs. I. Lay

After reading Ronald Speirs' report of the meeting of the Peace and Disarmament Discussion Group addressed by Professor Cornford, I feel that a reply to the three points put forward is essential. Not only do they represent the Peace Movements disregard for and one-sided view of historical and military facts, but they appear to be a gullible acceptance of Soviet propaganda.

1) While it is true that the Soviet Union has suffered huge casualties as a result of invasions from the West, it is worth remembering that it is the only nineteenth century empire which has not contracted or disappeared altogether since 1945. Where are now the pre-war republics of Latvia, Lithuania and Estonia? Where is the Kingdom of Georgia (annexed 1801), or the Khanates of Khiva and Bokhara and so on? In addition, Russia assisted in the dismemberment of independent Poland before the invasions by both Napoleon and Hitler, thus incurring the hatred which persists in Polish minds towards Russia to this day. So, though Russia fears the huge casualties which may result from a future invasion, she aims also to safeguard the Tsarist empire which the communists inherited and expanded upon.

2) It is not true that countries such as Poland, Hungary and Czechoslovakia are buffer states. The correct definitions of buffer states in Europe are genuinely neutral states such as Switzerland, Austria and Sweden. In effect, however, the

Soviet Eastern European satellite states have expanded the Soviet Union's defensive wall by a thousand miles to the west, thus increasing by this distance the lines of communication of any western invasion of Russia herself. By the same means, the lines of communication, should the Soviet Union invade Western Europe have been correspondingly reduced. It has been estimated that, given favourable conditions (and which invader would not wait until conditions were favourable?), Soviet tanks could be at the Rhine within three or four days, in Paris within a week, and at the Channel ports within ten days. Given the preponderance of Soviet armaments in Central Europe compared with those of the West (2.5 - 1 ratio in tanks, 2.8 - 1 in artillery, and 2.3 - 1 in fixed wing tactical aircraft), can it be said, as Professor Cornford believes that the intentions of the Soviet Union are mainly defensive? Insofar as controlling more territory is concerned, it is inconceivable that Russia should wish to control more territory directly. However, sycophants sharing their ideology, many of whom one finds in C.N.D. and the Peace Movement, would quite willingly try and do the job for them.

3) Professor Cornford correctly asserts that Marx foresaw revolution when conditions were ripe for it. Marx also stated that this would follow the collapse of capitalism which he believed was imminent. This theory has been amended by the Soviet propagandists which now admit that the collapse of capitalism might now take some time. In the meantime, it is plainly evident that the policy of the Soviet Union is to undermine capitalism and the democratic institutions of the West by every means at her disposal. When this has been achieved, and Western Europe severed militarily, financially and institutionally from the United States, the situation would then be right for an invasion - to restore order and impose client regimes such as one finds in Eastern Europe. If this scenario is correct, and there is little in available evidence which belies it, then the NATO countermeasures which involves the spending of between 2.3 (Italy) and 5.5% (USA) of its G.D.P. on defence compared with between 9 and 15% by the Soviet Union and its European client states, can scarcely be said to be unjustified.

HOUSEGROUPS

The 'Sermon on the Mount' (Matthew Chapters 5-7) contains the very essence of Jesus' teaching about what it means to follow him. For six weeks this Autumn we plan to take a close look at that teaching, both in the sermons on Sunday morning and in two study groups which will meet on Wednesday evenings and Thursday mornings. The evening group will meet at 78 Stonefields at 8.00 p.m. and the morning group at 22 Foxhollow at 10.00 a.m. The aim of both will be to see what Jesus said; what he meant; and how that applies to us now.

Both groups will be relaxed and informal, with plenty of room for discussion. They are open to everyone, and there will be a creche on Thursday mornings. If you would like to come to either group, or wish to know more about what will be involved, please contact Rev. James Newcome (CH 81629).

GOOD NEIGHBOURS OVER SIX TIES CLUB

After a successful stall at the Summer Fete, the Club promises to hit its winter programme with a swing. We have purchased some games equipment, two sets of dominoes, a set of draughts, one or two up-to-date "whizz games for everyboxy" - too puzzling for the present writer - and skittles. I am afraid some of us will prove to be anything but accurate shots but it will be good fun. And as yet we have only spent half the sum allocated for intellectual pursuits, but with luck a shove ha' penny board is on its way.

An account of the Club's shopping spree to Bury St. Edmunds - yes, shopping spree, what else with less than 45 shop-lifting days left to Christmas - will have to be held over to the November issue.

PEACE AND DEVELOPMENT GROUP

Last session we had some meetings about Peace and Disarmament. This term we want to continue our discussions by looking at how disarmament is linked to development. The condition of many of the world's peoples is deteriorating while arms expenditure soars. Can ordinary people like us do anything about it? We shall meet next at 8 pm on Thursday 14th October at 19 Acorn Avenue, and have a speaker and exhibits from cottage industries in the Third World. Anyone who is interested will be very welcome.

Though I act part time as assistant minister at Bar Hill Church I want to emphasise that peace and world development are not exclusive Christian matters. I do not myself believe that the Church should be an exclusive bunch of people: clearly peace is the concern of many different groups and the search for peace links Christians and non-Christians alike. The same is true of working to relieve human hunger and disease: it is time any one group stopped claiming any monopoly in compassion and action. Thus anyone is welcome at our discussion on 14th October and fortnightly on subsequent Thursdays.

SUNSHINE PLAYGROUP NEWS

I would like to thank everyone who worked so hard to make our Grand Opening Party such a success. I hope everyone who came enjoyed themselves. I certainly did.

Well, according to Dianne and Sanny everything at playgroup is running smoothly. When I popped in the children seemed to be enjoying themselves immensely. Have you seen the children's footprints on the wall in the Meetings Room?

We are operating a waiting list as we haven't any vacancies until Easter. Our Bookings Secretary Shelley Cakebread can give you more information if you contact her on CH 80880.

Lastly, a big thank you to everyone who donated cakes and other items for our Home Produce Stall at the September Fete. Everything was sold and we made just over £30 which will go towards more equipment for the playgroup.

If you have any queries, please do not hesitate to phone any of the committee or either of the supervisors. Names and numbers are listed below.

BAR HILL TOY LIBRARY

During October the Toy Library will be open on the following dates :

Friday 1st October
Friday 15th October
Friday 29th October

from 2.15 pm until 4.00 p.m. in the Farmhouse.

We will be holding a Nearly New toys, books and jigsaws Sale in the Farmhouse on Thursday 18th November from 2.00 p.m. until 4.00 p.m. Anyone is welcome to buy or sell, whether Toy Library members or not. The Toy Library will take 10% of the sale price of each item. All items must have a label securely attached, showing the seller's name and the price. They can be brought to the Farmhouse from 1.30 p.m. onwards on the day of the sale, or alternatively given to any Toy Library committee member during the week before the sale (ring me for the address of your nearest committee member). All unsold items and money must be collected from the Farmhouse by 4.30 p.m. on 18th November. So have a good clear out and make room for all the new Christmas toys!

By the end of the year we shall be finding considerable difficulty in compiling a rota for helping at Toy Library sessions, as several of our regular helpers will, for a variety of reasons, be unable to continue. If you could spare a couple of hours about once every two months, please let any committee member know, or tell someone who is "on duty" at the next session you go to. Thank you.

Barbara Hastings, CH 81363

BAR HILL PRE SCHOOL PLAYGROUP

This term we have 87 children on our register. We have 25 at each session, Monday to Thursday, and 4 year olds come to smaller sessions on a Friday for activities specially prepared for the pre-school child. At the end of this term 11 children will be going to school, and we have 13 children on the waiting list to start playgroup in January. From this you can see it is important to put your child's name down for Playgroup some time before their third birthday. If you would like to come and have a look before deciding, please come and visit us at any time at the Village Hall (9.15 - 11.45 and 1.00-3.30). We would be delighted to see you.

TEA AT TWO THIRTY

Tea at Two Thirty is on every Tuesday from 2.30 - 4.00 p.m. at the Church Centre. If you are new to the village, a new mum, or would just like to meet some different people, come along for a cup of tea. There's plenty of space for the children to play and anyone of any age is welcome. If you are housebound at that time but need to know something about the village, please give me a ring.

Don't forget that we have a list of babies equipment that you may borrow. If you have anything that you can lend, please contact me on 80277.

CAN THE LADY WHO BORROWED A CARRYCOT AND TRANSPORTER FROM CHRIS AVERY IN FOXHOLLOW, PLEASE CONTACT ME.

Thank you for supporting our stall at the Fete and our Nearly New Sale. Both were successful and enabled us to repay some of the debt we owe the Church Funds!

Bobby Colver has kindly agreed to take over from me in November, despite her family commitments! So I hope you will give her plenty of support and business in the winter months.

If you have any questions please give me a ring on 80277 or call at 55 Foxhollow.

CUB SCOUTS - THE FRIDAY NIGHTERS!

Ten years ago this month in response to an advertisement in the Bar Hill News, some fourteen boys went to the Church Centre to join the Cub Scouts. The following week, twenty four boys turned up and by the week after that a waiting list of some twenty boys was prepared. This was not the first time that Cubs and Scouts had been seen on the village as both a Cub Scout Pack and A Scout Troop had been in existence before in the early days of Bar Hill's history, run by Kit and Fred Brown. When the early developers stopped building and the population remained static, the number of boys wanting Scouting dwindled away and so those early flowerings of Scouting on Bar Hill died down, only to be re-awakened those ten years ago. A great many people have been involved one way and the other with the Friday night Cubs over the past ten years and I have lost count of the number of boys who have come along to join in the fun and friendship that Scouting can provide.

It seems fitting that during The Year of the Scout, 75 years of Scouting, that we should have our own anniversary and in the same month too !
Thank you to all those who have helped in any way over the past ten years and to all those boys to whom I have been known as Akela during their time in the Cubs, the best of luck to you all and if you can continue to live up to the Scout law and promise you will be able to travel on life's journey with your heads up high.
